

Donna
CAMPBELL, M.D. for Congress
Republican Nominee — Texas 25th District

Dr. Donna Campbell is running for Congress to limit federal government to the bounds of the U.S. Constitution as written—not as interpreted. This will shrink the national debt and restore governing power to the states.

She will also work to enact a fair tax in place of the unfair federal tax on income, ensure the nation's defense is strong, and fight to lift burdensome regulations so jobs can be retained and created.

An E.R. doctor, wife and mother concerned about the nation's future for our children, **Donna Campbell** is working to unseat ultra-liberal Lloyd Doggett so Central Texans can finally have the conservative representation they deserve.
