

February 2010

Hello, I'm Dr. Donna Campbell

You may have already heard me talk about my mission to help take back our country, but I want to give you a brief overview of my bid for the U.S. House of Representatives, Texas District 25.

We live in a wonderful nation, but our federal government is spinning out of control and the U.S. Constitution is now routinely bypassed as if it were an outdated historical document. Our personal freedoms are eroding and we are seeing a steady, disturbing dismantling of our great country.

I want to shrink big government, expand personal freedoms, and restore the Constitution as the basis of all federal government action. I will work to enact a Fair tax in place of the current unfair federal tax on income, and I will fight to lift burdensome regulations on businesses to stimulate job growth in central Texas and across the nation.

I am *the* GOP primary contender with the skills, experience and ability to defeat the entrenched, liberal incumbent Lloyd Doggett; and I am *the* person to break up the “good ol’ boys” club in Washington.

Please visit my website to learn more about me and my platform, and feel free to call or email me with any questions or comments you may have.

With early voting now upon us, and March 2nd fast approaching, I ask for your vote, and for your help in building support for me in your circle of friends, family and neighbors.

Thank you for your time in reading this note, and for your consideration of me when you vote.

Respectfully,

Donna Campbell, M.D.
