

DONNA CAMPBELL MD.
for US Congress

Republican Candidate 25th US Congressional District

Dr. Donna Campbell is running for Congress to **shrink** big government and **expand** personal freedoms, and will work tirelessly to restore the U.S. Constitution as the basis of all federal government action.

She will also work to enact a fair tax in place of the unfair federal tax on income, and will fight to lift burdensome regulations to create jobs for Texas and the nation.

Donna Campbell is *the* candidate to un-seat the isolated and entrenched incumbent Lloyd Doggett; and *the* person to break up the “good ol’ boys” club in Washington.
